Irish Prohibition of Conversion Therapies Bill 2018	Was originally focused on gay conversion therapy but was amended to bring gender identity and gender expression into scope. This bill would enshrine the HSE's current "affirmation" position in legislation and outlaw the therapeutic approach advocated by Dr O'Shea. With 80%+ of children desisting through puberty, these children could potentially be pulled into an unnecessary medicalisation pathway.	https://www.oireachtas.ie/en/bills/bill/2018/39/
Campaign: No child is born in the wrong body – remove gender identity from the CoE conversion therapy resolution	In December 2025, the Committee on Equality and Non-Discrimination of the Parliamentary Assembly of the Council of Europe (PACE) unanimously adopted a draft resolution calling for a Europe-wide ban on so-called "conversion practices" — defined as any attempt to change, repress or suppress a person's sexual orientation, gender identity or gender expression.	https://athena-forum.eu/updates/no-child-is-born-in-the-wrong-body-remove-gender-identity-from-the-conversion-therapy-resolution/
